

**PROFESSIONAL
SUMMARY**

Business Development and International Trade student, currently completing a Bachelor's degree in Marketing Techniques. I am developing a profile focused on business development and adaptation to foreign markets. My internship in China strengthened my understanding of customer expectations, cultural differences and international digital practices. Curious, autonomous and comfortable using generative AI, I am looking to contribute to business development, analysis and client relationship missions.

CORE SKILLS

- Business development — Opportunities · Customer needs · Sales arguments · Customer loyalty
- International — Cultural adaptation · Foreign markets · Commercial communication
- Analysis — Competitive intelligence · Market analysis · Recommendations
- Operational management — Organisation · Coordination · Performance monitoring · Reporting
- Digital & languages — Office Suite · Generative AI · FR · EN · DE · ZH

**PROFESSIONAL
EXPERIENCE**

International Sales Intern – Golden Sun Health Technology Group

Jinhua, China | March – July 2026 | 4 months

- Contributed to international business development with foreign clients and prospects.
- Analysed target markets and adapted sales arguments according to cultural expectations.
- Helped structure product positioning and sales messages to strengthen the company's credibility internationally.

Sales Promotion Representative — Distillerie Combier

Vierzon, France | October 2025 | Weekend project

- Promoted the La Folie de Combier range in the spirits department.
- Presented products, organised tastings and handled customer objections.
- Managed product display and the tasting area.
- Exceeded sales targets: 52 bottles sold for an initial target of 30.

Sales Intern – Dyadem

Tours, France | April – May 2025 | 2 months

- Managed a customer follow-up campaign for the 2026 product catalogue: over 200 calls completed with structured feedback tracking.
- Updated and optimised the CRM: 250 customer and product records updated for the launch of the new website.
- Prepared and structured responses to public tenders: 3 complete and standardised files drafted.

Communication Intern – Clen

Chinon, France | 2024 | 1 month

- Conducted competitive intelligence to analyse communication practices in the sector and identify areas for improvement.
- Designed internal visual materials, including posters and graphic elements.
- Contributed to the redesign of the new intranet: content integration, page organisation and user testing.

EDUCATION

BUT (Bachelor's in Marketing & Sales) – Option: International Trade

Issoudun

IUT de l'Indre (France) — 2023–Present

Pathway: Business Development & Customer Relationship Management.

**ADDITIONAL
EXPERIENCE**

- Entrepreneurial Hackathon — Kairos creation project, 2026: developed a turnkey student leisure concept combining activities, safety, inclusion and community.
- Entrepreneurial student project, 2024: co-created an innovative solid perfume concept, including market research, business model design, prototyping and final pitch before a jury.
- Community involvement: member of AS Ardentes and Trek Tours Endurance; active participation in two annual sports events through race marshal duties, opening/closing runner roles, route safety, logistical support and contribution to the association's visibility through its website.
